

Terms & Conditions

thoroughly good
design & marketing

The following Terms and Conditions of Service apply to all products and services provided by Move Design & Marketing (hereinafter referred to as Move Design) and in the event of any dispute are governed by the laws of England.

All work is carried out by Move Design on the understanding that the client has agreed to our terms and conditions.

Copyright is retained by Move Design on all design work including words, pictures, ideas, visuals and illustrations unless specifically released in writing and after all costs have been settled.

If a choice of designs is presented and one is chosen for your project, only that solution is deemed to be given by us as fulfilling the contract. All other designs remain the property of Move Design, unless specifically agreed in writing.

Project Acceptance

At the time of proposal, Move Design will provide the customer with a written estimate or quotation by email. These Terms and Conditions can be read at any time on the Move Design website.

A copy of the written estimate or quotation is to be signed and dated by the customer to indicate acceptance and should be returned to Move Design.

Alternatively, the client may send an official purchase order in reply to the estimate or quotation which binds the client to accept our terms and conditions, or an email acknowledging acceptance of the quotation.

For the avoidance of doubt, the Move Design Terms & Conditions are what govern the job, not any conditions on the customer's purchase order.

Design Charges

Charges for design services to be provided by Move Design will be set out in the written estimate or quotation that is provided to the customer. At the time of the customer's signed acceptance of this estimate or quotation, indicating acceptance of the Terms & Conditions, a non-refundable payment of 50% of the quoted fee will become immediately due.

Unless agreed otherwise with the Client, all design services require an advance payment of a minimum of fifty (50) percent of the project quotation total before the work commences or is supplied to the Client for review. The remaining fifty (50) percent of the project quotation total will be due upon completion of the work prior to upload to the server or release of materials.

Source Files

We will supply proofs and PDF files as appropriate for printing, or other graphic files as detailed in the job scope or request.

Charges for design work do not cover the release of our copyright design source files, including but not restricted to

indd, psd, AI, png, fla or other source files or raw code; if the Client requires these files for transfer to an in-house or other designer, they will be subject to a separate quotation or 'buy-out' charge.

Charges for Other Services

Charges for any additional services requested during the project that are over and above the estimated time or out of scope, will become fully payable (100% of the quoted amount) at the time of estimate or quotation acceptance.

Payment

The customer will be provided with an Approval Form or Proof Email, and an Invoice prior to final publication. At this time the remainder of the amount due will become payable and the customer will also be required to sign and return the Approval Form or signify approval by email to Move Design.

Any invoice queries must be submitted by email within 14 days of the invoice date.

Accounts which remain outstanding for 30 days after the date of invoice, will incur late payment interest charge at the Bank of England Base Rate plus 8% on the outstanding amount from the date due until the date of payment.

Payments may be made by online transfer, credit card (Visa, Mastercard) or Debit Card.

Payments made by cheque must be previously agreed and may be subject to an administration charge. Cheques should not be sent in regular mail unless sent recorded delivery.

Publication and/or release of work done by Move Design on behalf of the client, may not take place before cleared funds have been received.

Returned cheques will incur an additional fee of £50 per returned cheque. Move Design reserves the right to consider an account to be in default in the event of a returned cheque.

Default

An account shall be considered default if it remains unpaid for 30 days from the date of invoice, or following a returned cheque. Move Design shall be entitled to remove Move Design 's and/or the customer's material from any and all computer systems, until the amount due has been fully paid. This includes any and all unpaid monies due for services, including, but not limited to, hosting, domain registration, search engine submission, design and maintenance, sub-contractors, printers, photographers and libraries.

Removal of such materials does not relieve the customer of its obligation to pay the due amount.

Customers whose accounts become default agree to pay all Move Design 's reasonable legal and accounting expenses and third party collection agency fees in the enforcement of the debt and these Terms and Conditions.

Copyrights and Trademarks

By supplying text, images and other data to Move Design for inclusion in the customer's website or other medium, the customer declares that it holds the appropriate copyright and/or trademark permissions. The ownership of such materials will remain with the customer, or rightful copyright or trademark owner.

Any artwork, images, or text supplied and/or designed by Move Design on behalf of the customer, will remain the property of Move Design and/or its suppliers unless otherwise agreed in writing. A licence for use of the copyright material is granted to the customer solely for the project defined in the scope or request and not for any other purpose.

The customer may request in writing from Move Design, the necessary permission to use materials (for which Move Design holds the copyright) in forms other than for which it was originally supplied, and Move Design may, at its discretion, grant this and may charge for the additional usage. Such permission must be obtained in writing before any of the aforesaid artwork, images, text, or other data is used.

Any software, code, plugin or other third party material used in a web or digital project remains the property of the creator and any ongoing licence fees or fees for upgrades are the responsibility of the client, not Move Design.

By supplying images, text, or any other data to Move Design, the customer grants Move Design permission to use this material freely in the pursuit of the design.

Should Move Design, or the customer supply an image, text, audio clip or any other file for use in a website, multimedia presentation, print item, exhibition, advertisement or any other medium believing it to be copyright and royalty free, which subsequently emerges to have such copyright or royalty usage limitations, the customer will agree to allow Move Design to remove and/or replace the file on the site.

The customer agrees to fully indemnify and hold Move Design free from harm in any and all claims resulting from the customer in not having obtained all the required copyright, and/or any other necessary permissions.

Alterations

The customer agrees that changes required over and above the estimated work, or in addition to the agreed scope, or where the client makes changes to the supplied copy or changes required to be carried out after acceptance of the draft design, will be liable to a separate charge.

The customer also agrees that Move Design holds no responsibility for any amendments made by any third party, before or after a design is published.

Licensing

Any design, copywriting, drawing, idea or code created for the customer by Move Design, or any of its contractors, is licensed for use by the client on a one-time only basis and may not be modified, re-used, or re-distributed in any way or form without the express written consent of Move Design and any of its relevant sub-contractors.

All design work - where there is a risk that another party make a claim, should be registered by the client with the appropriate authorities prior to publishing or first use or searches and legal advice sought as to its use.

Move Design will not be held responsible for any and all damages resulting from such claims.

Move Design is not responsible for any loss, or consequential loss, non-delivery of products or services, of whatever cause. The customer agrees not to hold Move Design responsible for any such loss or damage.
